1.0 FEES AND CANCELLATION POLICY – NDIS PARTICIPANTS

To keep the participant fees to a minimum, RDA Brigadoon is continually working to reduce costs, and is committed to maintaining the lowest possible cost structure. The Centre's organisational expenses remain the same, no matter how many people participate in a week's program, and cancelled sessions have a significant impact on our financial viability. RDA Brigadoon has developed this Fees and Cancellation Policy, according to the requirements of the NDIS Terms of Business for Registered Providers and the NDIA Price Guide.

Cancellations - We understand unexpected circumstances can make it difficult to attend a scheduled session, so the RDA Brigadoon team has taken a policy position that attempts to balance the needs of participants with the needs of the organisation. Please read the following table in conjunction with the notes following:

Cancelling:	When	Cost	Notes
1. Single Session	Minimum of two (2) clear business days' notice day prior to the session	Nil	In accordance with the NDIS Pricing Arrangements and Price Limits Short Notice Cancellation rules
2. Single Session – late notice	Failure to give two (2) clear business days' notice day prior to the session	Full session fee	In accordance with NDIS Pricing Arrangements and Price Limits
3. Unexpected Absence	No show at session time	Full session fee	In accordance with NDIS Pricing Arrangements and Price Limits. Where there are more than 12 'No-shows' the Centre may undertake to review / cancel participant's place.
4. Numerous Sessions in advance	Placing Sessions 'On Hold' e.g., Holiday bookings	Full session fee	Charges depend on the purpose for the absence, and RDA Brigadoon's ability to back fill the time slot. Actions could include: • A full session fee charged to 'hold' the spot, or • A requirement to relinquish your place in the program to another participant. Please discuss with the Centre team.
5. If we cancel a session	You will be offered a make-up lesson.		Make up lessons will only be offered during the school holidays after the term concludes. They are non-cumulative therefore cannot carry over from one term to another. No credits will be issued.

Withdrawing from Program - Should the participant want to end placement in the Program, 4 weeks' notice in writing needs to be provided. Annual Rider Registration fee cannot be refunded, as this is a national fee covering the rider's insurance.
